Your sincere friend,
Emogene Oller

Dear Diary,
The staff of El Arroyo dedicates the '42 annual to Miss Emogene Oller whose untiring efforts and assistance have been invaluable in making this year look a success.

Harlingen High School
May 15, 1942

Dear Friends,

It has been recognized by many that school days are the happiest days of one's life. And only as one finds the true worth of school will he find happiness. The complete feeling of intimate companionship, the indefinable sensation called school spirit, and the hunger for knowledge are invaluable because they will last when Latin and algebra and physics and chemistry are forgotten.

It is the aim of El Arroyo staff to preserve some of these memories in such a way that this yearbook may be your pictorial diary of 1941-42.

Sincerely,
Eleanor McSmith
Editor-in-chief
